For outdoor applications, e.g. floors of terraces, balconies, borders of garden ponds, swimming pools, jetties and even bridges.

Available Colors: Amber Stone (brown), Silver Dust (graphite), Gold Oak (oak).

Dimensions WPC profiles (mm):

BOARD

Standard length: 2400mm, 4000mm

Width: 140mm

Wood Plastic Composite Profiles (WPC)

JOIST

Standard length: 2400mm, 4000mm

Basic characteristics of Noble Collection Boards:

Grooving	Two-sided	Two-sided
The way of grooving	Wide/Narrow	Wide/Narrow
Finish type	Not brushed „N” Wide/Narrow	Brushed „S” Wide
Slip resistance	YES	YES
Dimensional stability- length, width	≤ 0,2%	≤ 0,2%
Classification for reaction to fire*	B _{fl} -s1	B _{fl} -s1
Cross distortion	Max. 0,3mm	Max. 0,3mm

*) the classification refers to floors on non-combustible substrate, according to PN-EN 13501-1+a1 2010 norm.
